Raumwelten Public: Raumwelten Pavilion

The title image of Raumwelten 2015 shows a visualisation of the new Raumwelten Pavilion.

A place of encounter and exchange comes alive on the Akademiehof Ludwigsburg.

Experience spatial communication with all senses.

Designed in cooperation between Raumwelten, students of architecture at the Stuttgart State Academy of Art and Design and the Stuttgart Technology University of Applied Sciences, under the guidance of Prof. Wallisser and Prof. Hundt.
